

# ONE TOUCH

The Xerox DocuMate® 152 scans at 30 images per minute and creates searchable PDFs with the touch of a button. Put information you need right at your finger tips for under \$600. **There's a new way to look at it.**

High standards. Remarkable performance. The Xerox DocuMate 152 scanner, winner of PC Magazine's Editors' Choice Award is the ultimate office productivity tool. Convert documents into PDF, TIF, JPG, BMP or most other major file formats with One Touch. Drop in an original. Push a button. It's that easy! The DocuMate 152 also features One Touch scanning

that allows you to scan-to print, -to e-mail, or -to storage, and then share documents while offering the highest level of image quality and OCR accuracy. The scanner offers nearly \$400 in bundled software including ScanSoft PaperPort, OmniPage Pro, business card scanning software, and X1 Desktop Search. Control of your paper documents is one button away!
